

CITIZENS FIRST THROUGH SERVICE EXCELLENCE

*We have an exciting opportunity in the **Engineering Services Department** for an experienced and motivated individual*

**SENIOR TRAFFIC TECHNOLOGIST
FILE #10-83-LLOTC**

As one of Southern Ontario's fastest growing cities, with its mix of urban and rural areas, Vaughan is an in-demand place to live and work. A City considered one of Canada's most family-friendly; Vaughan has a dynamic and diverse population of over a quarter million. With one of the top performing economies, a growing tourism industry and an enviable portfolio of recreational and cultural venues, this is the place where you want to be.

It is the responsibility of the Senior Traffic Technologist to plan, co-ordinate and monitor traffic engineering projects and programs as well as traffic operation studies. In addition you will prepare engineering designs, tenders/contracts, reports, by-laws and City standards. In this senior role you will coordinate and oversee the work of and provide guidance to assigned staff, consultants and contractors. You will review and comment on traffic issues.

The suitable candidate will have minimum of five years municipal engineering experience. This will include a minimum of three years in detail design, development servicing or transportation/traffic engineering experience and one year overseeing the work of others. A Community College diploma in Civil Engineering Technology (or suitable equivalent) is required as well as holding a Certified Engineering Technologist designation. A high level of diplomacy is needed and the ability to deal courteously and effectively with the public, staff and Council members. Must have working knowledge of software applications and techniques in the areas of municipal servicing, project engineering, transportation planning/traffic engineering or project management. "Competent" worker as defined under the Occupational Health and Safety Act and related work. Must hold a valid Ontario Class "G" drivers licence in good standing and have a reliable vehicle to utilize on corporate business.

In addition to offering a competitive compensation package, we have a strong focus on health and wellness, including fitness facilities and family-focused benefits.

If you are an energetic person who is interested in bringing your knowledge and leadership skills to the City of Vaughan, please forward your resume in MS Word or pdf. only, quoting **File #10-83-LLOTC** in the subject line by **Tuesday, November 23, 2010** to:
