

Hamilton

TRAFFIC SIGNAL SPECIALIST

Public Works Department - Energy, Fleet & Facilities Division

Hamilton. A city of progress.

At the **City of Hamilton**, our vision is "to be the best place in Canada to raise a child, promote innovation, engage citizens and provide diverse economic opportunities". With our rich history, culturally strong and diverse communities, blend of urban and rural attractions, and ideal location in the heart of the Golden Horseshoe, Hamilton is a vibrant community of neighbours. We are also a leading employer, with many opportunities to grow and excel. We invite you to share in our vision as part of the Public Works Department.

Reporting to the Traffic Signal Foreman/Woman you will install, maintain and repair traffic signal equipment. You will diagnose electrical and electronic faults and solve problems on overhead and underground electrical and electronic traffic signal equipment and wiring. You will also repair faults, program failed traffic signal controller timers, install, maintain and replace traffic signal equipment such as signal heads, traffic controllers, poles, junction boxes, inductance loops and traffic gates. Overhauling and repairing traffic signal controllers, interconnection master systems and lane control systems will be required. Performing preventative maintenance on signal equipment, traffic signal controllers, wiring and cable, communication and video equipment and systems will also take place.

The ideal candidate will possess the following qualifications:

- a valid Certificate of Qualification (309A) or (309D) as a Construction and Maintenance Electrician under the Apprenticeship and Tradesmen's qualification Act (Ontario).
- proven experience installing, maintaining, trouble shooting and repairing of analog, digital and microprocessor based equipment and in installing and maintaining 120VAC field wiring and connections.
- Class "G" Driver's Licence.
- capable of obtaining and maintain a Class "D" Licence with a "Z" endorsement. In order to continue employment in this position, said licence must be obtained within 90 calendar days of hire.

If you are interested in working alongside a dedicated team that's contributing to the well-being of Hamilton's residents, please visit www.hamilton.ca/careers for position details and to **apply online**. Alternatively, you may send your resume, by **September 28, 2011**, quoting **competition number 7643**, to: **Staffing/Workforce Planning Specialist, Human Resources, c/o City Hall, 71 Main Street West, Hamilton, ON L8P 4Y5. Fax: 905-546-2650. In person: Standard Life Building, 120 King Street West, 9th Floor, Hamilton.**

The City of Hamilton, an equal opportunity employer, values the diversity of our workforce and the knowledge of our people. We thank all who have applied; however, only those under consideration will be contacted.
