## JOB DESCRIPTION

- TITLE:** Traffic Analyst
- CLIENT:** Town of Ajax
- EDUCATION:** Civil Engineering Technologist Diploma
- RESPONSIBILITIES:** Reporting to the Senior Transportation Planner, this position is responsible to ensure municipal traffic controls are in place for existing infrastructure to facilitate safe and efficient vehicular movement. Further responsibilities include:
- Carry out analyses and studies concerning the effectiveness of existing municipal traffic controls as directed by the Senior Transportation Planner.
  - Analyses the merit and appropriateness of traffic calming in existing areas and implement traffic calming measures as required.
  - Implements and coordinates the radar speed board program
  - Reviews and processes traffic related complaints through direct response, instructions to other departments and/or agencies as well as the preparation of reports and recommendations to Council for their direction and/or by-law endorsement.
  - Responsible for the acquisition, maintenance and use of traffic data collection equipment and new software.
  - Administer and/or provide technical support to municipal traffic safety programs, advisory committees, and initiatives.
  - Provide technical support to Senior Transportation Planner for transportation related capital projects (i.e. Environmental Assessments) as required.
  - Co-operate with Provincial, Regional, and other municipal departments to encourage innovative techniques to calm traffic and enforce traffic violations such as photo radar, red light cameras, and outsourcing enforcement.
- REQUIREMENTS:**
- Civil Engineering Technologist Diploma
  - Strong Communication (verbal & written) skills
  - Strong Customer service skills
  - Valid Class "G" Driver's License
- POINTS OF INTEREST:**
1. Ajax is part of Durham Region, one of the fastest growing areas in Ontario.
  2. Residents enjoy a full range of excellent municipal services of city quality in a mid-sized town setting.
  3. Located minutes from Toronto with a wide range of outdoor and waterfront related activities.
- LOCATION:** Ajax
- COMPENSATION:** \$53,000 - \$57,000
