

Town of Ajax...By the Lake

A career with a view.

## Traffic Analyst

Reporting to the Senior Transportation Planner, you will be responsible for ensuring municipal traffic controls are in place for existing infrastructure to facilitate safe and efficient vehicular movement. Responsibilities will include carrying out analyses and studies concerning the effectiveness of existing municipal traffic controls, analyzing the merit and appropriateness of traffic calming and implementing where required, and implementing and coordinating the radar speed board program. You will also review and process traffic related complaints, prepare reports and recommendations for Council, be responsible for the acquisition, maintenance, and use of traffic data collection equipment and software, administer changes to the municipal traffic by-law and its schedules, provide technical support to the Senior Transportation Planner, and cooperate with Provincial, Regional, and other municipal departments.

Your strong customer service focus is combined with a civil engineering technologist diploma, CET designation, and a minimum of five years' relevant experience. A strong communicator (verbal and written), you have a valid class G driver's licence.

**Salary range: \$53,763 to \$57,312 per annum**

Please apply, by December 17, 2009, to:

HR Services, Town of Ajax, 65 Harwood Avenue South, Ajax, ON L1S 2H9  
e-mail: [resumes@townofajax.com](mailto:resumes@townofajax.com) fax: (905) 686-8352

***Interviews will be held on January 7, 2010.***

We are an equal opportunity employer committed to diversity within the workplace. We thank all applicants; however, only those selected for an interview will be contacted. This personal information is collected under the authority of the *Municipal Act* and will be used to determine eligibility for potential employment. Questions about this collection of personal information should be directed to our HR Department.
