

Director of Transportation Services

Reporting to the General Manager, Community Services and as a valued member of the senior management team, you will provide leadership to all sections within the department including:

- Transportation Planning;
- Traffic Engineering Services and Signals;
- Downtown Parking and City-wide Parking By-law Enforcement; and
- School Crossing Guards.

You have a track record of leadership success in large, complex, multi-stakeholder organizations and you can identify examples where you created, sustained and communicated a vision that instilled a strong sense of purpose in staff and other key stakeholders. As a member of the management team, you will have excellent communication, report writing and public consultation skills. As the Director, you will lead and develop a team of professionals, coaching and mentoring staff in their careers.

You must be able to respond and make decisions quickly to situations as they arise and be able to manage conflicting demands from many stakeholders. You will provide expertise in the areas of planning, budgeting and functional design for transportation related projects, develop and recommend policies and policy changes, and liaise with developers, consultants and government agencies.

You will have a Civil Engineering Degree and registration with the P.E.O. or alternatively a Transportation Engineering Technology Diploma, with registration in the Certified Engineering Technicians and Technologists Association. A Master's Degree in Transportation Engineering and certification as a Professional Traffic Operations Engineer are desirable. Your education is complemented by a minimum of eight years transportation engineering experience in a municipal environment, with at least five years in a senior supervisory capacity.

In return for your contribution, you can expect a dynamic and challenging work environment. We offer a competitive compensation package in keeping with your background and the challenges of this role. The salary range is \$114,206 minimum to \$142,758 job rate. If you're interested in joining our team, we invite you to apply, by 4:30 p.m. on **March 5, 2010** quoting **Job #TRS 15-10**, to: **HR Department, 426 Brant Street, P.O. Box 5013, Burlington, Ontario L7R 3Z6** or e-mail: woodc@burlington.ca
