MLEO TRAINING

The 2009 MLEO training course is coming to Mississauga from October 21-23, 2009.

This 3-day training course will cover topic of interest to parking enforcement officers including legislative authority, courtroom procedure and officer safety.

Please see the OTC website for more information.

http://www.otc.org/training_mleo.cfm

BOOK 7 TRAINING

The OTC's Book 7 Training has returned for the fall season. Dates and locations will be:
Burlington — Oct 16
Peterborough — Oct 29.

The OTC Book 7 training course has been developed to provide requirements for traffic control in work zones during roadway construction and maintenance operations on or adjacent to public roads.

More info: <http://www.otc.org>

OTC/ITE WORKSHOP

The OTC and the Toronto section of ITE will present a Traffic Signals ITS Workshop on November 24 in Vaughan.

Sessions will be informative and will explore projects and technology applications where new tools are being used to improve the way traffic signals operate and expand the role of the signalized intersection.

Review the content of the workshop and register today at: <http://www.otc.org/workshops.cfm?eventid=48>
