NEWS FROM THE ONTARIO TRAFFIC CONFERENCE

## TRAINING TRAFFIC OPERATIONS

The OTC is working on presenting two courses which will be presented in **March 2010** hosted at the **Ontario Police College** in Aylmer.

ONLY 6 SPOTS  
REMAIN....Technical Traffic Operations Course: provides traffic engineering and operations overview (10 days)

Police Supervisors Course: SOLD OUT!

More info and registration at: <http://www.otc.org>

## TOPICS NEEDED FOR AGM

The OTC is pleased to announce that **Niagara Falls** will be the host city for the **2010 OTC Annual Conference** in June.

In preparation for the conference, we are asking OTC members to suggest topics and/or speakers.

If you would like to present or know of an interesting speaker or topic, please contact [marco@otc.org](mailto:marco@otc.org)

Deadline for submission: February 16 at 5pm. Thanks for your contribution in making the 60th AGM a success!

## LEVEL 2 TIS TRAINING

On **March 10**, the OTC will be holding an advanced level training on concepts in **Transportation Impact Studied** in **Burlington**.

The all-new advanced level TIS course is designed to build on the introductory courses presented in 2008 and 2009.

Attendance at the previous session is not a prerequisite for attending the advanced level.

It is suggested that participants have at least 3 years of experience working with TIS projects to get the most out of the workshop.
